Dear Supporter,

On April 10th, 2016, on the Wingate University campus, a fundraising 5K and a 1 mile walk called "Spirit of Spring." will raise funding and awareness for medical research for the Leukemia Lymphoma Society. There are thousands of children and adults affected by a number of blood cancers each year. There is no age, gender, or race that is exempt from a blood cancer.

I am an 10 year survivor of NHL Mantle Cell, which is a blood cancer. Medical research for Blood Cancers has proven to extend the lives of leukemia, lymphoma, and myeloma patients. Many patients are cured because of life saving medicine. I was fortunate to be given the drug, Rituxan, when I was diagnosed, and this has kept my cancer from returning.

"Spirit of Spring" LLS 5K and Walk, needs your support to help us be successful in this charity event.

****Make ANY Charitable donation, and we will announce your Business Name over the P.A. System, during the race.**

Any amount to assist in LLS research is greatly appreciated.

Please make checks payable to:

The Leukemia & Lymphoma Society
